

Welcome Family and Friends,

Welcome to Sacred Hearts School!

I want to take this opportunity to introduce myself as well as to thank you all for letting me become a small part of this wonderful school and community. It is with great excitement and tremendous humility that my family and I say “YES!” to becoming a full- fledged member of the Sacred Hearts community.

The past month has been an amazing time of meeting and interacting with some of the most wonderful people I have ever encountered. It is apparent that there is great deal of adoration and affection for this school, its students and the community. Along with teaching such virtues as loyalty and justice comes a rich commitment to deepen our Christian faith as devoted Catholics. These teachings and practices fall right in line with our mission of “living a faith-filled life”.

At Sacred Hearts we strive to prepare our student for the journey that lies ahead. Whether it is preparing our students for the transition from Kindergarten to First grade or getting our Eighth graders acclimated to the high school experience, each student is given the appropriate tools to succeed. With a devoted and veteran faculty and staff, all our students will be prepared for what life throws at them academically, socially and spiritually.

I want to thank all those for entrusting us with their special gifts from God. Those who have chosen to send their children to us have made tremendous sacrifices for a private, Catholic education and “WE” thank those of you who have and will continue to do so. It is an honor and privilege to serve you and your family.

My family and I have lived by three virtues that I hope to carry on here at Sacred Hearts. These three virtues are Faith, Hope and Love. At Sacred Hearts School we have “Faith” that God is always with us and guides us, the “Hope” that our students will embrace their faith and become up standing Catholic members of society and the unconditional “Love” from God and all those we let into our lives.

We welcome you to our family as you have welcomed me into yours!

Blessings,

James J. Grocki Jr. C.A.G.S.
Principal
Sacred Hearts School
